**Subject:** Collaboration towards the Acceptance of the European Health Data Space : Meeting 21/05/2021

Dear Madame,  
Dear Sir,

Thank you for your participation and active involvement at the eHealth Stakeholder Group meeting on May 5. You indicated you would like to participate in the collaboration towards the Acceptance of the European Health Data Space. We have shared 5 questions with you and, after the discussion of last week, we would now like to work with you in articulating policy options and solutions. This could feed into the EHDS proposal and the on-going public consultation. We would like to invite you to discuss the follow-up of the Acceptance of EHDS, on May 21 from 15:00-16:00 hrs. We will share with you an invitation for this meeting.

We invite you to share with us your ideas on how to organize this collaboration. We wish to organize a webinar in July, where the outcomes of this collaboration will be presented. Please let us know how you suggest we go about co-creating these policy options and solutions in the weeks ahead. Please send your ideas to [redacted]@ec.europa.eu ) and [redacted]@ec.europa.eu) before the meeting on May 21. We will then collect and discuss your input and decide on our approach together during the meeting.

Best regards,  
eHSG Secretariat
