Subject: Kind request for a meeting with Executive Vice President Dombrovskis

Dear Art. 4.1(b) ,

On behalf of the innovative pharmaceutical industry represented by EFPIA, I would like to kindly request a meeting for a delegation of our Board members with Executive Vice President Dombrovskis in the coming months.

There are several areas that our Board would welcome an opportunity to discuss with the Executive Vice President, among which the following:

- the ongoing discussions in the area of pharmaceuticals as they relate to the ongoing EU/New Zealand FTA negotiations
- the opportunity of setting up a business dialogue in the margins of the EU/US Trade and Technology Council
- the ongoing WTO discussions on IP and COVID-related healthcare technologies
- Medicines and the implementation of the protocol on Ireland and Northern Ireland

Thank you in advance for your consideration and we very much hope that it will be possible to organise such a meeting in the coming months.

I look forward to hearing from you and am at your disposal for any additional information you might need.

Best wishes,
