On behalf of the European Federation of Pharmaceutical Industries and Associations (EFPIA) and VaccinesEurope, Airfinity would like to invite you to a briefing session on data relating to COVID-19 vaccines which will be held via Zoom on June 22nd at 16h00.

The objective of the briefing will be to present in more detail data about the doses of vaccines to be produced, their distribution globally as well as the collaborations the industry is engaging in. Our experts will be more than happy to answer any questions you might have.

We would really welcome your participation as well as questions in advance and our team will follow up with instructions for joining the webinar and interacting with the presenters.

Kind regards,
