Dear 

I refer to your letter of 30 June 2020 sent to  by which you expressed your position on a potential slot waiver for the winter scheduling season 20/21. He asked me to answer you directly.

Thank you for sharing your views and information. These are useful for us. The Commission services are considering all possible options with regard to the situation related to airport slots due to the covid-19 crisis and I assure you that your points are well noted and will be taken into consideration. At this stage, however we are not in position to disclose any further information on the subject matter since the assessment and decision making is still ongoing. Rest assured that we will communicate in due course.

Yours sincerely,

(e-signed)
