

Meeting with Bolt, 28/07/2021

Participants from Cabinet Dombrovskis: Mirzha de Manuel, [REDACTED] Art 4.1 (b)

Bolt representatives presented their business model and the results of a survey to platform workers regarding their working conditions. They urged the Commission to take into account the views and interests of the directly-affected workers and to consider the impact of a possible regulation of platform work on employment. The Commission explained the process of consultation with social partners and the commitment to further implement the European Pillar of Social Rights and stimulating the economic recovery.
