Subject: Response to the follow-up public access to documents request sent via email (ENISA-IN-2022-5316) on 10 June 2022, with regard to ENISA documentation on Chinese technology firms by including Huawei.

Dear Dr Brown,

In your request registered on 10/06/2022 as a follow-up to the response letter of ENISA dated 03 May 2022 (ENISA-OUT-2022-5685) to your initial request, you are stating:

"In the response letter, the European Union Agency for Cybersecurity representatives had two virtual meetings with Huawei on 12/2/2021 and 02/02/2022 respectively. Additionally, one virtual meeting between ZTE and ENISA's representatives took place on 11/03/2022".

You are therefore asking access to the following, within the framework of the (EC) 1049/2001 Regulation:

"Documents which contain information pertaining to these two virtual meetings - agenda, minutes, follow-up reports, emails between participants regarding the substance of the meeting".

Regarding your request, the European Union Agency for Cybersecurity wishes to inform you that the following documentation has been identified in relation to your request, annexed:

- 1) Follow up report – a letter to Huawei dispatched by ENISA, registry number "ENISA-OUT-2022-5540";
- 2) Internal notes produced by ENISA after the call with ZTE on 11 March 2022.

In accordance with Article 7(2) of Regulation (EC) No 1049/2001, you are entitled to make a Confirmatory Application that should be lodged within 15 working days of receipt of this reply by return to this email.

Yours Sincerely,

The ENISA Public Access to Documents team
