Subject: Your application for access to documents – GESTDEM 2022/2232

Dear Sir,

We refer to your e-mail of 14 April 2022 in which you make a request for access to documents, registered on 17 April 2022 under the above-mentioned reference number.

You request access to *all documents—including but not limited to correspondence, emails, minutes, notes (hand written or electronic), audio or video recordings, verbatim reports, operational conclusions, lines to take, briefings, and presentations—related to the meeting on April 6 between Stefano Grassi and ExxonMobil Petroleum & Chemical.*

Your application concerns the following documents:

*possible MEETING REQUEST KS open date - ExxonMobil
Ambition for Net Zero GHGs by 2050.*

We regret to inform you that the Commission **does not hold any documents** that would correspond to the description given in your application.

The meeting with Stefano Grassi was actually a phone call. No minutes and no briefings have been prepared and therefore we do not have any documents to disclose.

As specified in Article 2(3) of Regulation (EC) No 1049/2001, the right of access as defined in that regulation applies only to existing documents in the possession of the institution.

Given that no such documents, corresponding to the description given in your application, are held by the Commission, the Commission is not in a position to fulfil your request. In case you would disagree with this position, you are entitled, in accordance with Article 7(2) of Regulation (EC) No 1049/2001, to submit a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretariat-General of the Commission at the following address:
