Subject: Your application for access to documents – GESTDEM 2022/2664

Dear Ms Döring,

We refer to your e-mail of 10 May 2022, registered on 12 May 2022, in which you make a request for access to documents under the above-mentioned reference number.

You request access to: *“All documentation (including but not limited to all email correspondence, attendance lists, agendas, background papers, transcripts, recordings and minutes/notes) relating to the meetings listed below:*

1. Between Verband der Chemischen Industrie e.V. and Kerstin Jorna, Director-General on 16/09/2020”.

We have identified the 2 enclosed documents that fall within the scope of your request.

A complete disclosure of the identified documents is prevented by the exception concerning the protection of privacy and the integrity of the individual outlined in Article 4(1)(b) of Regulation (EC) No 1049/2001, because they contain the following data:

- the names/initials and contact information of Commission staff members not pertaining to the senior management.

Article 9(1)(b) of the Data Protection Regulation does not allow the transmission of these personal data, except if you prove that it is necessary to have the data transmitted to you for a specific purpose in the public interest and where there is no reason to assume that the legitimate interests of the data subject might be prejudiced. In your request, you do not express any particular interest to have access to these personal data nor do you put forward arguments to establish the necessity to have the data transmitted for a specific purpose in the public interest.

Consequently, I conclude that, pursuant to Article 4(1)(b) of Regulation (EC) No 1049/2001, access cannot be granted to the personal data contained in the requested documents, as the need to obtain access thereto for a purpose in the public interest has not been substantiated and there is no reason to think that the legitimate interests of the individuals concerned would not be prejudiced by disclosure of the personal data concerned.

In case you would disagree with this position, you are entitled, in accordance with Article 7(2) of Regulation (EC) No 1049/2001, to submit a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretariat-General of the Commission at the following address:
