Subject: Content moderation and compliance with digital regulations

**Commissioner for Internal Market Thierry Breton meeting with Meta's** [REDACTED]  
[REDACTED] | Brussels, May 19, 2022

Commissioner Breton expressed a number of concerns regarding the content moderation policies put in place on Meta's platforms as well as the adequacy of the resources put to the task. Commissioner Breton underlined the importance for companies such as Meta to swiftly undertake the necessary steps to comply with the new European digital regulations, DSA and DMA.
