CAB BRETON/DSA – 27/04/2022 : Meeting between Cab. Breton and Google

Attendees: [REDACTED] (Google), [REDACTED] (YouTube), [REDACTED]
(Google) [REDACTED] (DG CNECT), **Filomena Chirico** (CAB-BRETON)

Summary: This meeting was intended to be a casual touchpoint between Google and the Commission, in the context of the **ongoing war in UA** as well as the recent political agreement on the **Digital Services Act**. The Commission enquired mainly about Google's **moderation policy**, notably during **crises** and on decisions concerning **public figures or government accounts**. The cooperation with between Google, authorities and third parties (**NGOs, trusted flaggers, academics, fact-checkers...**) was also discussed. Google provided details on how it was using **AI to augment the work of its human moderators**. The Commission thanked Google for its constructive approach on the code of practice on disinformation. Google congratulated the Commission on **the DSA**, stating that its **teams were** looking forward to **working** on compliance.
