Good morning,

On behalf of Executive Vice-President Margrethe Vestager, thank you for your meeting request with [REDACTED]. We hereby acknowledge its receipt and will revert to you in due time. However, I can already inform you that a meeting will most likely be impossible to organize as EVP Vestager is due to travel on some of those days. One of my colleagues will revert to you. Thanks.

Kind regards,

[REDACTED]

European Commission

Subject: Request for a meeting with ITI's [REDACTED]

Dear EVP Vestager,

This is [REDACTED] from ITI – The Information Technology Industry Council. ITI is the global association of the tech industry, representing [80 of the world's most innovative companies](#) operating in software, hardware, services and related industries. Platform regulation and data governance are key priorities to ITI and our members.

ITI's President and [REDACTED] is visiting Brussels in May, and would be delighted to meet you to discuss the Digital Markets Act and the Digital Services Act, as well as the Data Act proposal. We would appreciate if you could share your availabilities for a meeting on the following dates:

- Wednesday 18 May
- Thursday 19 May
- Friday 20 May before 12h.

Thank you for considering our request. Please do not hesitate to contact us should you have any questions.

Kind regards,

| ITI · [The Information Technology Industry Council](#) | Rue de la Loi 227 (Schuman) | EU Transparency Register: 061601915428-87

The premier global advocate for technology. We promote public policies that advance competition and innovation worldwide. Click [here](#) to stay in the loop on ITI's EU events and activities.

About us - The Information Technology Industry Council (ITI) is the premier global advocate for technology, representing the world's most innovative companies. Founded in 1916, ITI is an international trade association with a team of professionals on four continents. We promote public policies and industry standards that advance competition and innovation worldwide. Our diverse membership and expert staff provide policymakers the broadest perspective and thought leadership from technology, hardware, software, services, and related industries.
