Dear Mr lørgensen,					
This is	from ITI – The Information Te	chnology Industry Council. ITI			
is the global associa	ition of the tech industry, repre	esenting <u>80 of the world's most</u>			
innovative compani	<u>es</u> operating in software, hardv	ware, services and related			
industries. Platform	regulation and data governant	ce are key priorities to ITI and			
our members.					

ITI's President and is visiting Brussels in May, and would be delighted to meet you to discuss the Digital Markets Act and the Digital Services Act, as well as the Data Act proposal. We would appreciate if you could share your availabilities for a meeting on the following dates:

- Wednesday 18 May, before 14h
- Thursday 19 May
- Friday 20 May before 12h.

Thank you for considering our request, Please do not hesitate to contact us should you have any questions.

Kind regards,

| T| • The Information Technology Industry
Council | Rue de la Loi 227 (□ Schuman) | EU Transparency Register: 061601915428-87

The premier global advocate for technology. We promote public policies that advance competition and innovation worldwide, Click here to stay in the loop on ITI's EU events and activities.

About us - The Information Technology Industry Council (ITI) is the premier global advocate for technology, representing the world's most innovative companies. Founded in 1916, ITI is an international trade association with a team of professionals on four continents. We promote public policies and industry standards that advance competition and innovation worldwide. Our diverse membership and expert staff provide policymakers the broadest perspective and thought leadership from technology, hardware, software, services, and related industries.
