Dear [REDACTED],

Many thanks again.

[REDACTED] would be available on **10th at 17:30-18:00 CET**. Can we please confirm this slot?

Would you want us to send the dial-in details via Google Meet?

Thanks,
[REDACTED]

Dear [REDACTED]

Many thanks for your email. I confirm the meeting is duly booked in EVP's agenda.

Regarding a preparatory meeting at Cabinet level with [REDACTED], the best I could offer is:

08/03 – 17:30-18:00

10/03 – 17:30-18:00

18/03 – 17:00-17:30

We will have Christane Canenbley and Werner Stengg for the digital-related files plus Michele Piergiovanni and Penelope Papandropoulos from the Competition cluster.

I will already tentatively block the slots but please let me know ASAP which one works better for you.

Looking forward to your answer.

Kindly,
[REDACTED]

Dear [REDACTED],

Thanks for sharing the good news! As discussed over a phone yesterday, the slot you proposed on **Tuesday, 29 March at 10.15-11.00** works well with [REDACTED].

Looking forward to hearing more about the practicalities. Please also let us know if the cabinet level exchange with [REDACTED] is feasible.

Thank you,
[REDACTED]

Dear [REDACTED],

Following your meeting request sent on behalf of [REDACTED], it is my pleasure to transmit the availability of EVP Margrethe Vestager for a discussion in Brussels on the topics mentioned below. We could offer 29/03, 09:00-09:40 and is pretty much the only possibility, therefore we have tentatively booked the slot in her agenda. Would you please let us know if the timing is good for you? I will revert then with practicalities and with an answer for the prep exchange at Cabinet level that you mentioned.

Looking forward to your answer.

With kind regards,
[REDACTED]

Dear Werner,

Thank you for this important question.

We'd suggest a discussion on the ongoing and upcoming digital regulation files (DSA/DMA, Data Act, AI liability/PLD) as well as the competition matters. This would be in line with what they agreed to discuss during the previous call in November, but of course we are open to any topics you'd suggest. [REDACTED] would be happy to discuss this agenda with you beforehand, if possible.

Hope this helps, and please let me know if you have any other questions.

Thanks,

[REDACTED]

Dear [REDACTED]

While we are trying to find an answer to your main question, it would be helpful to know whether [REDACTED] has any particular "digital topics" in mind that we would like to discuss as a matter of priority?

Many thanks in advance

Werner

Subject: Meeting requests with Google's [redacted]

Dear Christiane and Werner,

I hope you are both well.

I'm reaching out to request a meeting between Executive Vice-President Vestager and [redacted] Google and Alphabet. [redacted] will be traveling to Europe this spring and would be delighted to reconnect in person with EVP Vestager to discuss the digital policy topics of common interest on 29 or 30 March in Brussels.

Could you please help us check the interest and availability of EVP Vestager on these dates?

In parallel – and as a potential preparation for that meeting – [redacted] would be keen to connect with you virtually to continue the discussion on DSA/DMA. Given the pace of the trilogue negotiations, [redacted] would be happy to meet at your earliest convenience. We would gladly accommodate your busy schedule - and if helpful, we could also suggest some slots that work for [redacted] (ideally after 5pm CET).

Thank you in advance for considering these two requests.

With best regards,
