Dear [REDACTED],

I am writing to you, following the Commission's proposal on Front of Pack. In this context, we would be very pleased to meet with you to present our company's vision regarding health & nutrition and the role the Sports industry can play.

Furthermore, it would be interesting to exchange our views especially regarding the specificity of nutrition for sportswomen and sportsmen.

My colleague [REDACTED] in charge of our Nutrition Policies and I, would be available to meet with you in Brussels on **May 31st AM, June 7th all day and on June 14th AM**, among other dates.

In the meantime, please see attached our contribution (position paper) to this specific FoP consultation.

We are looking forward to your response,  
with kind regards,
