Hey [REDACTED]

Indeed it has been a while. Everything is going ok on my side. I hope it is the same on your side in these crazy times...

I do still have EURLO in my portfolio (among a lot of other things) 😊

As [REDACTED] told you, I have been out of office for a week but I believe that [REDACTED] have gotten all files needed via [REDACTED] and have / will send you the updated version.

Please do not hesitate to get back to me if need be.  
Best regards,

[REDACTED]

**Objet : /!\:EURLO DRC Work Plan / Activity Plan 2022**

Dear [REDACTED],

We haven't been in touch for quite a while. I hope you're doing great both professionally and in your private life.

I hope you still have EURLO deployments in your portfolio 😊

Do you happen to have an updated version of [REDACTED]'s Activity Plan (maybe Work Plan)? The one we have on IRMA was valid until 31 July 2021 (attached).

Many thanks for checking.

Best regards,

[REDACTED]
