**Subject: Your confirmatory application for access to documents under
Regulation (EC) No 1049/2001 - 2022/6064**

Dear Ms Berthélémy,

I refer to your e-mail of 12 December 2022, registered on 13 December 2022, in which you submit a confirmatory application in accordance with Article 7(4) of Regulation (EC) No 1049/2001 regarding public access to European Parliament, Council and Commission documents¹ (hereafter ‘Regulation (EC) No 1049/2001’).

Your confirmatory application was submitted in relation to your initial application of 25 October 2022 in which you requested access to, I quote:

‘All documents (targeted questionnaires, concept notes, powerpoint presentations, etc.) for the preparation and execution of the targeted consultations, meetings and workshops with stakeholders organised in the framework of the revision of the Advance Passenger Information -API Directive (as mentioned in the Inception Impact Assessment: Ares(2020)2916519);

-The number of targeted consultations, the number of meetings and the number of workshops broken down by the categories of stakeholders (the competent authorities at Member State level; international and European industry organisations in the transport (air, sea, land) sector; airlines, land and sea carriers, airport and seaport authorities, private IT solutions providers, passenger associations, and EU institutions, bodies and agencies) before the release of the proposal for a revision of the API Directive;

¹ OJ L 145 of 31.5.2001, p. 43.

-The compilation and summary of the results of the targeted consultations, meetings and workshops.'

The initial request was assigned to the Directorate-General for Migration and Home Affairs. As you did not receive an initial reply from that Directorate-General within the statutory time limits, you submitted a confirmatory application on 12 December 2022.

In the meantime, the initial reply in question was sent to you on 13 December 2022 (under reference number Ares(2022)8649990).

Against this background, the Secretariat-General will close your confirmatory application related to the lack of initial reply.

You remain entitled to submit a new confirmatory application in accordance with Article 7(2) of Regulation (EC) No 1049/2001, should you wish to request a review of the initial reply of 13 December 2022.

Yours sincerely,

Mariusz Daca
