Dear Laurence,

I attach a draft agenda to frame the meeting on 19 February and would appreciate your feedback. We have a conference call at the end of the afternoon on 4 February to prepare our input so any comments before then would be much appreciated.

Final confirmation of the timing(18.30 to 20.30 ?) would also be appreciated. Likewise ,is it known whether President Barroso will attend as he did last year?

I look forward to hearing from you.

Kind regards

Brian

DRAFT

Energy and Industrial policies to restore Europe's competitiveness, growth and employment

Attendees: President François Hollande (hosting), Chancellor Angela Merkel, President José Manuel Barroso and a delegation of ERT Members

Date & place: 19 February 2014, Paris, Palais de l'Elysée (18.30 – 20.30 hrs)

- An Energy policy for industrial competitiveness and growth
- “Reindustrialisation” of Europe – how to achieve 20% GDP target, including the role of competition policy, completion of the Single Market and fostering optimum conditions for innovation
- Boosting growth and jobs through trade – prospects for a successful Transatlantic Trade and Investment Partnership
- Addressing unemployment through creation of flexible labour markets and responsive education systems
