Honorable Director General,  
dear Mr. Berrigan,

I am reaching out to you to follow up on our discussion earlier this year regarding Raiffeisen Bank International, the banking sector and the impact of the war in Ukraine. RBI [redacted] will be in Brussels on 8 November, and [redacted] would very much welcome a meeting with you to discuss topics related to the resilience of the European banking sector and the impact of the Ukraine war on European banks.

It is of high importance to us to stress that RBI fully [redacted] complies with the sanctions introduced by the EU and UK against the Russian and Belarussian states and those connected to them. We stand with the Ukrainian people and all those affected by this terrible war.

[redacted] will be present in Brussels on 8 November we'd be grateful for an in person meeting on that day. For [redacted] the ideal timeslots that day would be until 10:45am or between 15:45 – 16:55. However, if this is not possible we remain at your disposal to discuss other timeslots.

Thank you for your time. We look forward to hearing from you and remain at your disposal for any questions or comments regarding this request.

Best regards,

[redacted]
