Subject: RE: Annual Meeting on 02.06. of the Latin America Committee of the German Business: Request for a video statement or a participation via video for VEP Dombrovskis

Dear Art.4(1)(b),

We would like to thank you for the kind invitation addressed to Executive Vice-President Valdis Dombrovskis. However, Mr Dombrovskis will be in consecutive missions till next Friday and unfortunately it is not feasible for him to participate or record a video message.

We are sorry for this and we hope that there will be more opportunities in the future.

Kind wishes,

Dear Michael,

Hope you are doing fine. In the previous days I've sent you an sms with a request from the Latin America Committee of the German Business.

Art.4(1)(b)

Art.4(1)(b) the Latin America Committee of the German Business. A list of members of the Committee you will find attached.

They will held their annual meeting on 2 June 2022, from 17h00 to approx. 19h00, hybrid, at the VW Forum DRIVE in Berlin.

Art.4(1)(b) and the Board would be highly appreciate it if VEP Dombrovskis would be able to participate in that meeting either in presence or via video. If this would not be possible for him we would appreciate it if he could send a short video message to the participants.

Topics of the exchange could be: Out of scope

as well as the EU trade agreements with Out of scope , Mexico and Out of scope

Some background information:

- LADW: The Latin America Committee of German Business (LADW) pools the expertise of industry in order to make economic cooperation between Germany, Europe and Latin America even more focused, efficient and effective. The business-driven body is hosted by the Federation of German Industries (BDI). As the umbrella organization of German industry and industry-related services, the BDI speaks for more than 100,000 enterprises with around 8 million employees.

- Members of the LADW: With a balanced sector distribution, the committee members belong to the executive boards of leading German companies. Both DAX companies and medium-sized businesses are represented. Taken together, the LADW member companies generate a turnover equivalent to forty percent of Germany's gross domestic product.

If it would be possible we can discuss all details via our offices.
Best regards/Beste Grüße
