

meeting a visitor group from Nyt Europa

02/12/2021 from 09:30-10:15

:explain the key priorities of the VDL Commission, with a particular focus on the green and digital transition. The work of the EVP in the area of competition was presented, in broader terms. The audience asked questions on the energy security situation and how the Commission is tackling current and future challenges following from Russia's invasion of Ukraine.

Brief discussion of how to apply for a position in the European Commission. The group of students came mainly from Denmark, but also persons of other nationalities whereby the presentation was held in English.
