Dear Mr. [REDACTED],

I will be taking over the practical organisation details of the meeting with EVP [REDACTED] from [REDACTED].

I understand from earlier communication that meetings would be possible on 22nd or 23rd September. Mrs. [REDACTED] would have best availability in the morning of the 22nd as from 10am. Is this a timing that could work with both the agendas of Mrs [REDACTED] and yourself?

Best regards,

Dear [REDACTED]

Sorry for the oversight. I checked in with Ditte on this, and she will be travelling on those dates in the US.

But I would be very happy to meet EVP [REDACTED] – I could do either 22nd or 23rd if that is also still an option. [REDACTED] (in copy) will be back from leave in late August and will take this forward, if that is OK for you.

Best regards

[REDACTED]

Dear Ditte, dear [REDACTED]

At our anniversary event we discussed the usefulness of a meeting ahead of winter with our EVP for marketing and trading, [REDACTED], and would like to explore if sometime between 08.00 and 13.00 on 21 September or sometime between 11.30 on 22 September and 13.00 23 September would be possible. In addition to the preparations for next winter we believe it would be useful to [REDACTED]
