Dear

thank you very much for the information on the agreement. So things are really imminent!

I will already raise the topic with the representatives of the German Ministry of Economics this afternoon - we will have a debrief on the investment negotiations with China, so the investment guys will be in the room!

Which other countries will be on the Commissioner's itinerary in March?

Thanks and kind regards from Berlin,

Dear

Thank you for your email and for your interest in the future EU-Myanmar/Burma investment agreement negotiations.

The recommendation for a Council Decision to open negotiations on an investment protection agreement between the EU and Myanmar/Burma is expected to be adopted this week by the College of Commissioners. Right after, the recommendations will be sent to the Council for adoption by the EU Member States (via the Trade Policy Committee on Services and Investment).

The EU Trade Commissioner, Mr Karel De Gucht, would like to launch the negotiations during his visit to Myanmar/Burma mid-March.

I copy Mr

who is responsible for this file within the Investment Unit of the Directorate

Thank you in advance for your collaboration on this.

Kind regards,

European Commission

Dear

I am working for the Association of German Chambers of Commerce and our Secretary General just came back from Myanmar, where they held the first German-Myanmar Business Forum and inaugurated the representation office of German business in Myanmar. He now asked me for an update on the planned investment protection agreement for Myanmar and how we here in Germany and our rep office in Myanmar can support the launch of the negotiations and the negotiators. Would you be able to help me on this?

Thanks and kind regards,

Dear ...

My colleague ... in copy, is in charge of Myanmar. I suggest you contact her for an update on the investment protection agreement.

Best regards,

Liebe Frau

wir waren mehrfach wegen Thailand in Kontakt als ich noch bei EUROCHAMBRES gearbeitet habe. Nun habe ich diese Monat das Referat Handelspolitik des DIHK übernommen und hätte gleich eine kurze Frage: diese Woche fand das deutsch-myanmarische Wirtschaftsforum statt und dabei wurde mehrfach auf die Verhandlungen eines Investitionsschutzabkommens Bezug genommen. Könnte ich Sie hierzu kurz anrufen, um zu sehen, wo wir da stehen oder betreuen das die Kollegen aus dem Rubinacci-Team?

Vielen Dank im Voraus und beste Grüße,
