Dear Mr Dohle,

I thank you for your request to my services on the registration of the European Expert Group (EEG) on the Transition from Institutional to Community Based Care.

In answer to your question, I would like to inform you that the EEG is not a formal expert group set up by the Commission in the frame of a Commission initiative. It is a voluntary exchange platform acting with no legal basis that would support a registration in the Commission.

The EEG has not made such a request to my services and therefore we cannot provide you any internal nor external communication related to such a request.

Yours sincerely,

Stefan OLSSON  
Head of Unit
