Request for public access to ECB documents

Dear Mr Pavlou,

On 30 June 2015 the European Central Bank (ECB) received your request for access to *"the two documents mentioned in the referendum to take place in Greece on 5 July. The first document is titled 'Reforms for the completion of the current program and beyond' and the second 'Preliminary debt sustainability analysis'."*

We should like to note that the Referendum of 5 July 2015, mentioned in your request, was organised autonomously by the Greek government and the requested documents are publicly available via the Greek government's dedicated website <http://www.referendum2015gov.gr/en/why-a-referendum/proposal-of-the-institutions-to-the-greek-government-full-text/>.

Yours sincerely,

Pierre van der Haegen
