Dear M. Lehmann,

As you may be aware, last week Google took the sad decision of [announcing that we are closing Google News in Spain \[link\]](#). This will become effective this week.

Our [REDACTED], is leading our discussions and partnerships with publishers. He would be grateful for the opportunity to meet and further discuss why we had to close

Google News in Spain, as well as address any outstanding questions that you may have regarding copyright and publishing.

[redacted] will be in Brussels on the 26th and 27th January 2015. Should this be of interest, I would be more than happy to follow up with your office to find a convenient time.

Thanks you and best regards,

[redacted]
