Subject: [Website feedback] Ancillary Copyright for press publisher

Dear Madam or Sir,

I'm currently working on a research project on the Ancillary Copyright for press publisher in Europe.

In this context I would like to know:

- If there are any official statements of the European Commission about the Ancillary Copyright for press publisher in Germany and the upcoming law in Austria?
- Are there any intentions to harmonize a Ancillary Copyright for press publisher in Europe.

Thank you very much for your reply!

Kind regards,
