Dear [REDACTED]

Thank you for your message.

You will find attached the final version of the ToR with the comments from the members of the Civil Society Dialogue Contact group. There are only a few changes, which are more a matter of form than of substance.

We appreciate your efforts to prepare a proposal within our deadlines.

Best regards,

Dear [redacted]
Dear [redacted],

We would like to carry out a study to assess the effectiveness, efficiency and relevance of DG Trade's Civil Society Dialogue. The final draft of the Terms of References is ready with potential minor changes still to be done by the end of next week. We are aiming to sign the contract at the latest early December this year.

Would it be possible to discuss further steps, availability and details of the study? We would be available all day today except between 12:00 and 14:30 for a telephone conversation.

Kind regards,
