Subject: Presentation on TTIP/TiSA/public services for bavarian communes

Today I gave a presentation on TTIP, TiSA and public services for about 60 representatives of Bavarian communes (Bayerischer Landkreistag), who came for a study visit to Brussels.

Surprisingly, there were no questions or concerns raised. While it was the end of a long day full of presentations for attendants, I was also told by the Office of Bavarian Communes that concerns over migration prevail and interest in TTIP and public services has generally decreased.

Regards,
