Subject: Report TRADE Cabinet- EFPIA Meeting 19/11/2015

Dear colleagues,

Please find below a report of the meeting Cabinet had with EFPIA last Thursday.

Kind regards,

[Art. 4.1(b)]

Cabinet – EFPIA board meeting, 19 November 2015

Participants: Richard Bergström (DG EFPIA), [Art. 4.1(b)], [Art. 4.1(b)]
[Art. 4.1(b)], [Art. 4.1(b)]

Mia Asenius (CAB), Miguel Ceballos Baron (CAB), [Art. 4.1(b)]

EFPIA wanted to meet with the Cabinet of Commissioner Malmström to discuss their key priorities for (mainly) TTIP, CETA and China.

TTIP

CAB thanked EFPIA for their technical input since the beginning of the TTIP negotiations. EFPIA explained that their position is very much in line with the one of [Art.4.1(a) and 4.3]. For EFPIA TTIP is an opportunity to [Art. 4.1(a) and 4.3]. They want the Commission to be more ambitious. [Art. 4.1(a) and 4.3], according to EFPIA, only a basic and obvious element of a future agreement. They want to see more ambition on [Art. 4.1(a) and 4.3]. They also underlined that they do not ask for [Art. 4.1(a) and 4.3]. Another point of interest for EFPIA is [Art. 4.1(a) and 4.3]. CAB agreed on the importance of [Art. 4.1(a) and 4.3] for the pharmaceutical sector. Furthermore EFPIA pushed for a provision in the agreement [Art. 4.1(a) and 4.3].

EFPIA also informed COM about an online dialogue on TTIP they had organised recently. During this event, CEO's took the time to reply upon specific TTIP questions from the public and to clarify some unjustified concerns people have (e.g. Will TTIP lead to higher prices or lower standards for medicines?). EFPIA's advice to COM is to organise more outreach meetings to explain what is actually going on in the TTIP negotiations as there is a lot of false information circulating in the public atmosphere.
