Subject: RE: EESC members: TTIP

FYI

Ignacio discussed with three EESC members (Mr Boyle, Mr Krawczyk and Mrs Federspiel), accompanied by Ms Iotzova of the EESC Secretariat, the state of play of TTIP. Meeting was held in very good atmosphere, with EESC thanking COM for the good cooperation.

Focus of the discussion: (i) timeline to share proposal on energy with EESC (October-November); (ii) timeline of TPP negotiations and ratification by Congress and impact for TTIP; (iii) monitoring and enforcement of STD provisions.

COM was informed Mr Boyle will retire and a new chair of the Trade Committee is to be appointed soon.

Best regards
