

TTIP: report of a meeting DG Trade [art. 4.1.b]with the Bertelsmann Foundation 30/01/2014

On 30 Januray 2014 [art. 4.1.b]and[art. 4.1.b]had a meeting with [art. 4.1.b]and [art. 4.1.b] from the Bertelsmann Foundation.

Bertelsmann provided information about several developments:

- an upcoming study on the impact of TTIP across 14 sectors, including the ICT sector.
- the state-of-play of the US Digital Trade Act, which should contain a provision on cross-border data flows.
- the state of play on Trade Promotion Authority and TPP
- a meeting on TTIP that Bertelsmann intends to hold on 17 March 2014 with staff from the European Parliament and the US Congress. This could include assistants and MEPs/congressmen.

[art. 4.1.b] provided a general update on the state-of play of the TTIP negotiations for services.
