Subject: Your request for access to documents
Our ref: 2016/006 & 2016/007

Dear Mr. Jacobson,

I would like to thank you for your requests of 12 January 2016, for access to documents, which we have examined in the framework of Regulation (EC) No 1049/2001¹. We note that you addressed to us two different requests, one pertaining to Indonesian fires (Documents after 1 January 2015) and another regarding Aceh's spatial plan (Documents after 19 February 2015).

After consultation with the EU Delegation in Indonesia and the responsible division within the EEAS, we are pleased to inform you that we can grant you access to all the documents originating from EU institutions which have been identified by the EU Delegation. You will find these documents attached to this letter.

Please note that some personal data contained in the requested documents cannot be disclosed because their disclosure could be contrary to the data subjects' right for privacy, pursuant to art 4.1,b of the Regulation, and were therefore expunged from the documents. I would like to also remind you that these documents may not be copied or reproduced for commercial purposes without prior consultation with the EEAS.

In our research we have also identified documents held by the EEAS originating from third parties. Please note that in accordance with Article 4.4 of Regulation 1049/2001 we are obliged to consult the third parties concerned on possible releasability of the documents. You will find the list of those documents annexed to this letter.

¹ Regulation (EC) No 1049/2001 of the European Parliament and of the Council regarding public access to European Parliament, Council and Commission documents (hereafter the "Regulation").

We invite you to study the list and inform us about which documents you are interested in receiving. Should you select any, we will send the relevant consultation requests to the originators and will come back to you when we receive their replies.

Yours sincerely

Gabriele Visentin
