Dear Mr. Daniel,

Subject: Your application for access to documents – Ref Gestdem 2016/0293

I refer to your email dated 22 January 2016 in which you make a request for access to documents concerning "A Cable Car for London", registered under the above-mentioned reference number.

I am pleased to attach the Commission Decision (C2012) 4733 final, dated 4th July 2012 for your information.

Further to this I would just like to add that Transport for London bid for funding from the London ERDF programme and was awarded £8 million (€9,040,000) from the European Regional Development Funds towards the cost of the Cable Car for London in 2013. Three payments have been made by the Greater London Authority, in charge of managing the programme, on the basis of claims submitted to TfL over the lifetime of the project to the value of £7,199,999.

I trust that you will find this information helpful.

Yours sincerely,

Desa Srsen
