Subject: EBF President – request for a meeting

Dear President Juncker,

The President of the European Banking Federation, Frédéric Oudéa, Chairman and Chief Executive Officer of the Société Générale, will be in Brussels on Wednesday, 4 March in the afternoon and on Thursday, 5 March 2015.

Mr. Oudéa and I would be delighted to meet you and to discuss the focus areas of the European Banking Federation for 2015. These closely relate to a number of initiatives that you have personally sponsored and that have the potential to transform the way our European economy is financed. Concretely, we would greatly appreciate exchanging views with you on the strategic role of the financial sector as contributors to the success of the EU Investment Plan and of the Capital Markets Union project, formally launched yesterday. These embody, in our view, the materialization in the financial space of your deep commitment to changing and renewing Europe.

We would be further interested in debating with you the calibration of the regulatory framework and the necessary impetus to re-inject growth, job and competitiveness back into the European economy.

Should 4 or 5 March not be a suitable dates for you, we would be glad to hear from you, to identify an alternative date.

Yours Sincerely,
