Dear Paulina.

It has been some time that I do not have the chance to talk to you. I hope, therefore, that this email finds you well and that you are having a splendid time working in President Juncker's Cabinet.

I would like to come back on EBF President Oudéa. Robert has been in touch with you over this.

We were not successful to secure a meeting with President Juncker in our first attempt, due to the President's existing commitments. Understandable, as we were rather late in making the request - see President's Juncker response attached.

Mr Oudéa is back in town on **28 May**. So, we are hopeful that a meeting on that day would now be possible. I re-attach the letter that we sent to his PA & you in cc when we requested the first meeting. In that regard, the EU Investment Plan, the CMU and regulatory framework recalibration remain in our agenda for discussion.

I have been asked to report to Oudéa's office next Tuesday on the state of play of this second attempt. Any hint that you could share with me ahead of that would be really helpful.

Many thanks for your help.

Best regards,

Dear [REDACTED]

Apologies for late reply. I understand.  
11 June was also mentioned in our request as an alternative. This date is still on hold in our President's agenda.  
So, I should ask: any chance that President Juncker would be available that day?  
Thank you,

Kind regards,

Dear [REDACTED]

Thank you for your email.

Unfortunately President Juncker will not be able to meet with President Oudéa on 28 May due to a very constraint agenda on that day.

We thank you for your understanding.

Paulina,

Allow me to test with you the availability of Commission President Juncker to meet with EBF President Oudéa with you ahead of any formal request from us.

Would 28 May or 11 June 2015 be suitable?

If not would you be in a position to suggest a suitable date from your side?

Kind regards,

Robert
