Dear colleagues,

I would like to invite you for the fourth meeting of this ISSG on animal cloning for food production.

The meeting will take place on 11 April from 10.00h to 12.00h in F101-01/89.

The agenda of the meeting includes only the discussion of the IPM public consultation (Draft questionnaire and template attached).

Based on the comments received from the SG, DG AGRI and RTD please find attached a revised version to be finalized during this meeting in order to publish the IPM (consultation period of 12 weeks).

Please confirm your participation and/or send your possible comments in advance.

For colleagues from Parma and Sevilla there is audio and video conference available.

Thanking you in advance for your cooperation.

Best regards

[REDACTED]
