<p>The blanked out parts contain sensitive operational details related to the implementation of joint return flights. Disclosing them would expose certain means applied in those activities, creating security gaps and thus affecting the implementation of ongoing and future return operations. This in turn would hamper the EU's policy of managing irregular migration. In light of this, those parts are not disclosed pursuant to the exception laid down in the first indent of Article 4(1)(a) of Regulation No 1049/2001 relating to the protection of the public interest as regards public security.</p>
