Dear Commissioner,

It is with great pleasure that I am inviting you to address the General Assembly of The Brewers of Europe, which will meet on the 2<sup>nd</sup> and 3<sup>rd</sup> of June in Barcelona.

I would indeed be delighted if the members of our Board and General Assembly, a high level representation of Europe's brewers, had an opportunity to greet you and listen to your views on the contribution of the brewing sector to the EU agenda for Jobs, Growth, Investment and Competitiveness: an agenda that is close to your heart as Commissioner for Climate Action & Energy.

I am though fully aware of your extremely busy schedule and would therefore suggest that you consider in function of your agenda alternatively attending our Gala dinner on Thursday, 2 June or our General Assembly meeting on Friday, 3 June in the morning.

On a more personal note, I would like to share with you that this General Assembly will be my last one as President of The Brewers of Europe as it will coincide with the end of my mandate. I would therefore highly value your presence on that occasion.

I very much hope that you will give my invitation the very best attention and that The Brewers of Europe will have the honour of your presence in Barcelona on 2 or 3 June.

Yours sincerely,

Demetrio Carceller
