Subject: Meeting EURELECTRIC on market design: Request for a meeting on 25 May 2016 (afternoon)

Dear [redacted],
Dear [redacted],

It is our pleasure to contact you in view of a possible meeting with you to discuss EURELECTRIC's views on market design.

Our industry is fully committed to the EU decarbonisation agenda and we are trying to define ways that ensure a cost-efficient and market-based energy transition. I believe that [redacted] already sent you our recently adopted report on market design (here enclosed again for convenience).

Should you be available, we would very much appreciate meeting you on 25 May (after 14.30) as our expert in charge, Mr [redacted], will then be in Brussels.

With best regards,

[redacted]
