**Subject:** Goldman Sachs EMEA CEO Summit - 18-19 November 2014

Dear [REDACTED],

We will be hosting the Goldman Sachs Europe, Middle East, and Africa (EMEA) CEO Summit 2014 at the Corinthia Hotel in London on the evening of Tuesday, November 18 and all day on Wednesday, November 19 and would be very interested in inviting President Barroso to deliver a keynote address on either date.

This conference will bring together CEOs and Chairs of the leading consumer, defence, energy, financial services, and telecoms companies from across the UK and Europe and is one of the most highly anticipated and intellectually engaging events we hold each year for our clients.

Our inaugural Summit in 2013 was the highest profile event we have hosted in the region. We were joined by 150 CEO industry leaders and our speakers included Nicolas Sarkozy (President of the French Republic 2007 – 2012), Mark Carney (Governor of the Bank of England), Leon Panetta (US Secretary of Defence 2011 – 2013) and Boris Johnson (Mayor of London).

We would be delighted if President Barroso would consider joining us as a speaker at our EMEA CEO Summit 2014 – we know that our delegates would be extremely interested to hear his perspectives on and outlook for the European Union -- and we stand ready to send a formal invitation from Lloyd Blankfein, Chairman and Chief Executive Officer of Goldman Sachs to President Barroso should he be interested and available to speak.

For completeness, I have enclosed with this message a copy of the agenda from our inaugural Summit last year.

I look forward to hearing from you and remain at your disposal should you or colleagues have any further questions.

Your sincerely,  
Jenny Cosco
