Dear Mrs Cann,

I refer to your request for access to documents GestDem 2017/2090 and your subsequent email of 18 May 2017, registered under Ares(2017)2626290, with which you inform us that you would in particular be interested to receive documents relating to Telefonica as soon as possible.

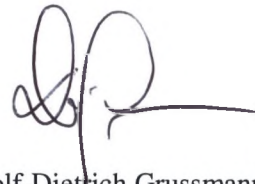

I regret to inform you that we are not yet in a position to respond to your request which is still being processed.

However, we have identified several inputs that the companies listed in your request have shared with us. You will find those inputs in the final report of the study "Assessment of the cost of providing wholesale roaming services in the EU" published on 15 June 2016 and available here:

We will respond to your application GestDem 2017/2090 as soon as possible.

Yours sincerely,

Wolf-Dietrich Grussmann
