Subject: Request for a meeting - AmCham EU

Dear Ms. Asenius,

I hope this message finds you well. I would like to request a brief meeting with you, to present the work AmCham EU is currently doing and to also give you additional information about the Executive Council meeting request extended to Commissioner Malmstrom last week.

AmCham EU is comprised of over 150 American businesses invested in Europe, some present here for over a hundred years, and represents their perspectives on a wide variety of issues in the EU. Aggregate US investment in Europe totalled more than €2 trillion in 2016, directly supports more than 4.5 million jobs in Europe, and generates billions of euros annually in income, trade and research and development.

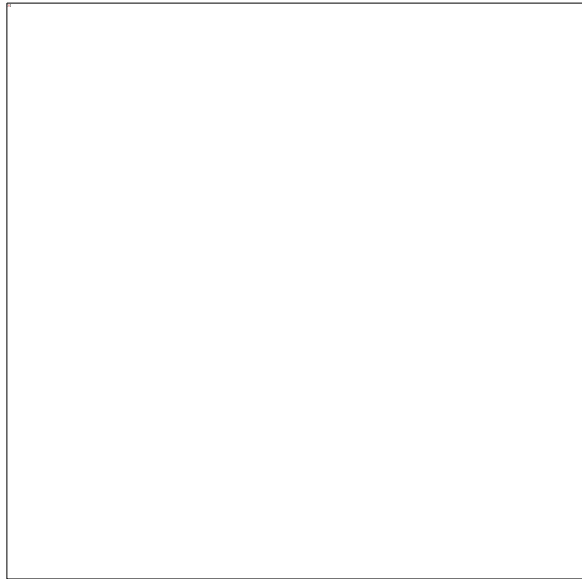

Our Policy Director and I would be delighted to meet with you or your colleague, should your schedule permit, and we look forward to hearing from you soon.

Best regards,
