**Subject:** Flash call-conference between IGB and Dan Lloyd from Vodafone Group

On Monday 30 April 2012, IGB had a call-conference with Dan Lloyd (DL-Vodafone Group)

Deleted

Replying to a request for an update concerning the EU-India FTA negotiations and the inclusion of investment protection, IGB said that the EU's intention is to propose and negotiate strong investment protection standards inspired by MS BITs and covering also investor-to-state arbitration. Investment negotiations are not yet advanced and
