Dear [REDACTED]

We are sorry to hear this. My colleague [REDACTED] who is controlling the WebEx in this morning, together with the technicians, will contact you to test your connection. You will receive the WebEx registration link in a separate message.

Kind regards,

[REDACTED]

Subject: Antw: RAC-40B_glyphosate_DS

Dear [REDACTED]
dear colleagues of the RAC team,

I am very sorry to tell you that I, most likely, will not be able to attend the discussion on the carcinogenicity of glyphosate in person. The ground staff of the Berlin airports is on strike and the airports are closed. This situation will continue, according to what is known at the moment, until Wednesday morning, perhaps longer. My today's evening flight to Helsinki will be cancelled. We tried but failed to find an alternative.

Therefore, I would like to participate via WebEx. Would you be so kind to send me the WebEx link? Perhaps we could try in advance of the meeting if the connection works? Today, I shall be in my office until 1 p.m. (Helsinki time) and then, again, between 6 and 8 p.m. At latest, we should try tomorrow morning.

Kind regards,

[REDACTED]

Dear [REDACTED]

It was nice meeting with you this week. The glyphosate carcinogenicity discussion will carry on on Wednesday 15 March.

We understand that you will participate this discussion also next week. Could you please confirm your participation, and the remote participation of [REDACTED] via WebEx.

Thanks!

Kind regards,
[REDACTED]

Subject: Testing with [REDACTED] tomorrow morning before RAC-40B @8.30

Importance: High

Dear [REDACTED]

We will have to do the test tomorrow morning at 8.30 Helsinki time. Afterwards, it will be too disruptive as we will be setting up the screens for the day and the technicians will be busy.

I suggest you connect at 8.30 and we will check that we hear you speak if you are given the floor.

I hope this is ok for you.

Best regards,
[REDACTED] (RAC secretariat)

Subject: Antw: Webex: you are not allowed to connect for any other item than your item

Thank you [REDACTED] I was just trying to find out if I might get connected. It seems that it is working. My problem today is that I have to leave my office at noon today (i.e., Helsinki time 1 p.m.) and will return only around 6 p.m. Helsinki time (5 p.m. CET). If not feasible before 1 p.m., could we try tomorrow morning?

Dear [REDACTED]

Sorry I had to expel you from the session. As dossier submitter, you are only allowed to connect for your item which is Glyphosate @ 9.00 tomorrow.

But at least we know you can connect ☺

Our technicians will contact you this midday to do a test of the audio connection so that we are sure you can be heard if you wish to speak tomorrow.

Best regards,

 (RAC secretariat)
