I, the undersigned , having been appointed to the **opening board** for the abovementioned public contract, declare that I am aware of Article 57 of the Financial Regulation, which states that:

“1. Financial actors and other persons involved in budget implementation and management, including acts preparatory thereto, audit or control shall not take any action which may bring their own interests into conflict with those of the Union.

Where such a risk exists, the person in question shall refrain from such action and shall refer the matter to the authorising officer by delegation who shall confirm in writing whether a conflict of interests exists. The person in question shall also inform his or her hierarchical superior. Where a conflict of interests is found to exist, the person in question shall cease all activities in the matter. The authorising officer by delegation shall personally take any further appropriate action.

2. For the purposes of paragraph 1, a conflict of interests exists where the impartial and objective exercise of the functions of a financial actor or other person, as referred to in paragraph 1, is compromised for reasons involving family, emotional life, political or national affinity, economic interest or any other shared interest with a recipient.”

I hereby declare that, to my knowledge, I have no conflict of interest with the operators who have submitted a tender for this contract, including persons or members of a consortium, or the subcontractors proposed.

I confirm that, if I discover during the opening that such a conflict exists, I will declare it immediately and resign from the committee.

I also confirm that I will keep all matters entrusted to me confidential. I will not communicate outside the committee any confidential information that is revealed to me or that I have discovered. I will not make any adverse use of information given to me.
