Dear Mr. Alemanno,

Thank you for your request for access to documents relating to the activities of StratCom East Task Force, which we have examined in the framework of Regulation (EC) No 1049/2001¹.

The only documents we could identify were the European Council conclusions of 19 and 20 March 2015, which I am pleased to forward to you attached to this letter.

In addition the mandate of the team is further defined in a Q&A section on the official EEAS website, where you can also find direct links to the attached European Council conclusions:
