Subject: Operational- and organisational matters – Border management
Frontex code of conduct – remarks from Austria

Dear ladies and gentlemen,

With reference to the draft version of the CODE OF CONDUCT FOR ALL PERSONS PARTICIPATING IN FRONTEX COORDINATED OPERATIONAL ACTIVITIES Austria congratulates to the draft document and would like to make the following general remarks:

ad Art. 2: we propose to bring the definitions in a more logical order, e.g. the definition under lit. f should directly follow the definition under lit. a.

ad Art. 4: the title “Fundamental Rights” might be misleading because mainly “fundamental obligations” are dealt with under this Article.

ad Art. 8: covers prejudice only partially – it would be desirable to state a more general rule of prejudice.

For the Minister of the Interior:

elektronisch gefertigt
