Thanks Hilda. [REDACTED]

[REDACTED] Please don't hesitate to let me know if you see a role for EuropaBio in the conference! We are working on some films on the bioeconomy and hope to screen them there (I am in touch with DG R&I about this) but I'd be happy to take part in any panel discussions or sessions where I could be useful.

Thanks and best regards,
[REDACTED]

Dear Hilda,

[REDACTED]
[REDACTED] he was supposed to give the overview on the PPP. It may still be confidential but [REDACTED] is being appointed as new contact person for all things on the biobased PPP until the new year. I'm not sure if he has signed the contract yet though....

Please let me know if there is anything I can help with.

Kind regards,

[REDACTED]

Dear [REDACTED]

Just a short question, there was a speaker who joined us with some delay in your ad-hoc session on the ppp. Could you please let me know his name, he answered at the end the question of the German ministerial representative on the EU added value, i.e. why this ppp has to be at EU level.

Many thanks,

Hilda
