Dear [REDACTED],

[REDACTED]
[REDACTED]
[REDACTED] was also wondering if you would be available at some point in the upcoming week(s), so that we could talk a little bit about what is coming to CM in the next months regarding internet governance, especially the recommendation on the responsibilities of internet intermediaries? It will probably be adopted by CDMSI in December, and then come to the CM. [REDACTED]

Best regards and a nice weekend to you,
