

**Subject:** AW: My presentation

Dear [REDACTED],

Thank you for hosting a very fruitful meeting!

I would be very happy if you could circulate the paper you mentioned, in order to get a first impression if we can make use of it. I hope you find us sufficiently trustworthy. The paper could be helpful for the revision of the task description (1822) on which I need to start working as soon as possible.

Dear [REDACTED], I will call you on Monday (earlier is unfortunately not possible, since I am again on mission until then).

Best wishes!

[REDACTED]
